How about a delicious pudding beer?

Meantime Chocolate Porter 5.5

Rich, dark and super-smooth: chocolate lovers, get ready to dive in. Meantime add real chocolate to enhance the natural mocha flavours of the four dark malts that give this beer its distinctive character. Full of deep, rich, roasted flavours, it's like a mouthful of liquid dark chocolate.. Delicious on it's own, or with Chocolate & Ice Cream dishes.

After Dinner Drinks
